Kingdom Services Group's Strategic  
Communication Upgrade with West Pier  
Telecom*

Kingdom Services Group upgraded their communications with West Pier Telecom's 8x8 solution, moving from a traditional Avaya IP Office system. This change supports remote work for over 10,500 employees across sectors like security and healthcare. The 8x8 system, featuring robust voice and video tools, simplified international communications with calls to 47 countries and significantly reduced costs. This modernisation is vital for managing growth and ensuring reliable, round-the-clock operations.
