

# West Pier BT Phone System Trade-In Scheme

## Trade-In Scheme Details

West Pier Telecom are currently offering businesses discounted pricing on the award winning Avaya IP Office 500 when they trade-in their existing BT telephone system.

Customers will receive a £50 discount for every BT Phone extension on their current legacy phone system that they upgrade. For example, a business that has 100 phone extensions is entitled to save £5,000 off a new phone system.
