

West Pier Telecom is an accredited Avaya Partner in Customer Excellence

Partner in Customer Excellence

West Pier is recognized by Avaya for achieving consistently strong Customer Satisfaction results based on feedback supplied by Avaya Customers over the last 12-month period. To be recognised as an Avaya Partner in Customer Excellence partners must consistently receive above average post service feedback from customers.

There are only 10 resellers across the UK who have achieved a Customer Excellence Certification so you can be assured of great experience when dealing with West Pier Telecom.
