

West Pier Telecom

We are suppliers of and experts in **telephony, networking, and collaboration** solutions. Our passion is helping businesses communicate more effectively with all stakeholders and cutting their costs by implementing intelligent solutions.

Our solutions aim to help cut costs and create efficiencies by leveraging the latest innovations in telephony, video conferencing, connectivity, and collaboration. **We are incredibly proud to say that our customer service is award winning.**

<p style="text-align: center;">Telephony</p> <p>Award winning communication solutions</p> <p>We offer world class reliable and feature rich communication solutions in both a hosted (cloud) and on-premise format, giving you a selection of manufacturer and deployment options.</p>	
<p style="text-align: center;">Our technology Providers Include:</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> <p>iPECS is an Ericsson-LG Brand</p>  </div> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div> </div>	
<p style="text-align: center;">Hosted Telephony</p> <p>Avoid the large upfront costs of a new phone system and reduce the drain on your IT personnel by going hosted. When your phone system is in the cloud the majority of your hardware and administration are managed externally and off site giving you piece of mind.</p>	<p style="text-align: center;">On-Premise Telephony</p> <p>If hosted telephony is not for you then we also provide our award winning solutions in a more traditional on-premise format. The easy and intuitive administration of our solutions means that your IT department will love it from the get go.</p>
<p style="text-align: center;">Our other areas of expertise include:</p>	
<ul style="list-style-type: none"> • Wide Area Networks (WAN's) • Contact Centre Solutions • Internet Connectivity • Unified Communications • Mobile Phones 	<ul style="list-style-type: none"> • Collaboration and Remote Working • Telephone Maintenance and Support • SIP Trunking • Video Conferencing

If you are currently reviewing your telephony and/or networking infrastructure then you can contact us on 0344 264 5522 or alternatively you can email us at info@westpiertele.com.
